As our Troop is composed of members of several denominations, Scouts are encouraged to attend services of their own form of religion.

Spring Bank Holiday Camp, Silverdale: 27-30 May 2011

A Scout's favourite activity - camping! This will be a traditional Patrol camp under canvas at Silverdale.

You can look forward to a wide range of exciting activities including canoeing, wide games, backwoods cooking, Geocaching, camp fires and exploring.

Those who have been before will be anticipating our usual assortment of activities and looking forward to maintaining and improving their camping skills.

As a Troop, we pride ourselves on our camping standards, which are second to none.

If this is your first time, look forward to a great adventure in company with your pals. You will be an experienced camper able to look after yourself in the outdoors before you know it!

See you there . . .

Helvellyn Sunrise

? June (tbc – very weather dependent)
More details later on this proposed activity. A walk for the over 12's to see mid-summer sunrise from the most frequently climbed fell in the eastern Lake District.

“Legend and poetry, a lovely name and a lofty altitude combine to encompass Helvellyn in an aura of romance;

If it did not inspire affection would its devotees return to it so often?”

Troop T-shirt

For those of you who are not familiar with our arrangements we traditionally adopt a variation to our scout uniform during the summer months in anticipation of much warmer weather.

The Summer Uniform comprises the Troop T-shirt, with design as aside - worn with the neckerchief, any, preferably, self colour trousers or shorts as preferred and trainers. Hopefully, if your son does not yet have one of our troop t-shirts you will wish to purchase one for him - he will certainly get full use from it! If so, please ask for an order form.. We do have some, mainly smaller sizes, in stock but others will have to be ordered.

Alternatively, a suitable substitute would be any plain black t-shirt.

This is our personalized Troop t-shirt.
Design based on an original drawing by Baden Powell.

Snow & Ice

14 Scouts took the opportunity on 5 December to sample the snow and ice conditions on Orrest Head at Windermere. The weather was perfect and an enjoyable and exciting time was had by all.

Many of our exciting activities are featured on our website at www.16thmorecambescouts.org.uk
